Website & Social Media Handles:

For the Whimsy's social media and website, please describe the work that you create and sell:

Please read and initial the following market policies. Bring the signed copy with you when you show up on market day.

____ Set-up times are variable. The Whimsy doesn't open until 10 am on Saturdays and 11 am on Sundays so just let Jaime (jaimehaz@gmail.com) know what time you'd like to begin setting up so that she can open the shop up for you.

____ The Whimsy closes at 4 pm on Saturdays and Sundays. If you're an outside vendor, feel free to stay longer if you're still making good money.

____ If you need to leave earlier than the Whimsy's closing time, also feel free. Just make sure that your departure doesn't disrupt shoppers. It's also a good idea if you give me a heads-up about your early departure so that I can update social media.

____ When loading and unloading your vehicles, there's a very large parking lot right behind the store. The driveway is directly to the right of the building. There's also free parking on Main Street. Currently, the shop doesn't have handicapped access or a rear entrance so plan to load in and out through the front entrance (there are a couple of steps involved). Access will be improved in future construction projects. It's advisable to bring a wheelie cart with you or some muscle.

____ The fee to be a vendor is \$20/day. If you leave early, it's still \$20. I accept cash or Venmo (@JaimeHazard). The fee should be paid to me before the end of the vending day unless otherwise agreed upon.

____ The vendor is responsible for watching their booth at all times. The Whimsy Mercantile is not liable for anything stolen, broken, traffic accidents, weather-related accidents, trips & falls, etc... while vending.

____ For outside vendors, in the future, there will be a porch and an awning so tents will not be needed. Currently, however, a tent or umbrella is necessary as are tent weights. You don't want wind to blow your tent through a nearby car windshield.

____ If you need to cancel, just let me know as soon as possible so I can put it on the website and social media. You can message me through social media (Instagram or Facebook) or email me at jaimehaz@gmail.com. Don't worry, I will not hold you to the vendor fee. I understand that life happens. If cancellations become a habit, I may have to reconsider waiving the vendor fee or your participation in future markets because space is limited.
